

GRANT APPLICATION

Northern New Mexico Horsemen's Association (NNMHA) may have a grant for your organization of up to \$2,000 for specific programs and projects.

Thank you for your interest in NNMHA! Grants may be wide-ranging from (but not limited to) support for individuals for special projects and programs such as clinics, riding, participation in rides, lessons, equipment needs and the like. For individuals, grants are designed to cover what may not be a scholarship or sponsorship. If an organization, grants may be used for start-up programs or operating funds that may include equipment, supplies, staffing or research. Grant funding is paid to the provider.

Our grants support the northern New Mexico equine community and foster knowledge and understanding of equines. Grants may be used up to a two-year period. We are particularly interested in supporting other nonprofit organizations and tribal government entities.

To apply, please provide the information below, attach requested materials and send to:

Northern New Mexico Horsemen's Association
P.O. Box 4124
Santa Fe, NM 87502

Applicant name (if applicable, also organizational title), street address, city, state, zip	Date

Phone, email

Name, street address, city, state, zip of organization (if applicable)

Phone, email of organization (if applicable)

Name of president, executive director or head of organization, phone, email (if applicable)

Brief history of individual or organization's past involvement/interest in equines

Purpose of request, how funds would be used and amount requested
